

GET READY FOR STORM SEASON WITH THE FOLLOWING 5 STEPS

1. Know your risk

Think about the area you live in and how storms could affect you, your family and your home.

2. Plan now for what you will do

Sit down with your family and make a plan for what you would do in a storm.

3. Prepare your home

Clean your gutters, trim trees, store loose items, maintain your roof and check your home insurance policy.

4. Be aware

Stay informed on how to prepare and what to do if there is a storm in your area.

5. Look out for each other

Share information with family, friends and neighbours. Help those who may need assistance.
