

TAKE THE LEAD

VOLUNTEER WITH THE NSW SES

It's a challenging and rewarding role – and we need great people in our community to lead our team.

You're known as a people person, steady under pressure and highly organised. But you also like to have fun and are passionate about where you live.

As a Unit Commander or Local Commander, you'll be leading and supporting a team of volunteers to undertake their specialist roles. Utilise your life experience and develop your leadership skills – your work makes a real difference in our community.

We're waiting on you to get started.
